Berlin in March 2011

**Dear artists,
Dear art-interested public & promoters,
Dear friends,**

we already started to prepare the **Open Air Gallery 2011**. Our success of the last year absolutely topped the year before (over 40.000 visitors) - great atmosphere and fantastic projects. We are proud of all the compliments and want to repeat this event. That's why we are looking for interested artists to come to the bridge this summer (Oberbaumbrücke).

The Open Air Gallery is open for any sort of the applied arts & media (painting, drawing, sculpture, photography, graphic art and so on). The gallery affords an excellent opportunity for the artists to show their projects to a large, attracted audience.

The dates: **Sunday, the 3rd of July and Sunday, the 7th of August 2011** (10am-10pm).

Please apply accordingly to our procedure-pdf ("Verfahren") in order to get one of our hundred stalls for one day (costs: € 80,- per day/per artist). You can find any information under: www.openairgallery.de. Every artist, who offers his own works or projects, is allowed to participate. Everybody has to make an (new) application (participants of the last year as well).

There will be a regular selection procedure: we will contact you after the jury carefully assessed all the submitted works. The artists or designers of the best selected works will be asked then to join the gallery. There is absolute no agreement with artists of the last years. And we also just want to give you one date per application, so that a **broad spectrum of arts** will be offered to the visitors.

Please send us three pages including your short vita plus photos or colour copies of your works and maybe some significant information (like size, material, concept).

Deadline: one week before exhibition-day.

It is an **art exhibition**, so it is important that every offered item is **unique!**

We do not accept any kind of practical/commercial arts as well as decorative arts, handcraft and figurative arts like painted cups, printed shirts, vases or paperweight!

Practical demonstrations of your works will be welcomed but please let's talk about such things in advance. If there are any questions, feel free to contact us.

We are looking forward for your application!

Please include all your contact-dates, especially your **Email-address!**

Best regards,

contact: Stadtteil Ausschuss Kreuzberg e.V. * Skalitzer Str. 57 * 10997 Berlin
